4K

4k resolution

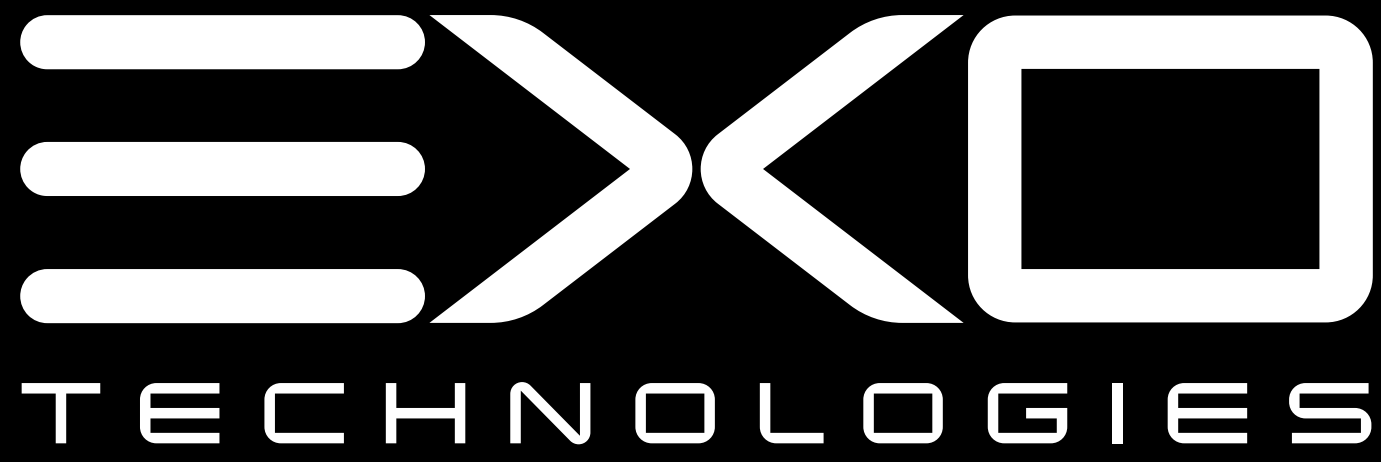

Experience crystal-clear visuals,
ensuring that every detail of your display is
vivid and guarantees uninterrupted operation
even in the most demanding of kitchens.

The image features a vertical composition. At the top, the 'EXO' logo is rendered in a stylized, white, blocky font, with the 'E' and 'X' having unique geometric shapes. Below the logo, the word 'TECHNOLOGIES' is written in a smaller, white, sans-serif font. The background is a dark, textured surface with a repeating diamond pattern. In the center, a person's hands are visible, holding a metal pan over a flame. The flames are bright orange and yellow, rising from the pan. The overall lighting is dramatic, with the fire providing the primary light source. The text 'Rugged Design' is overlaid on the left side of the image, and a paragraph of text is at the bottom.

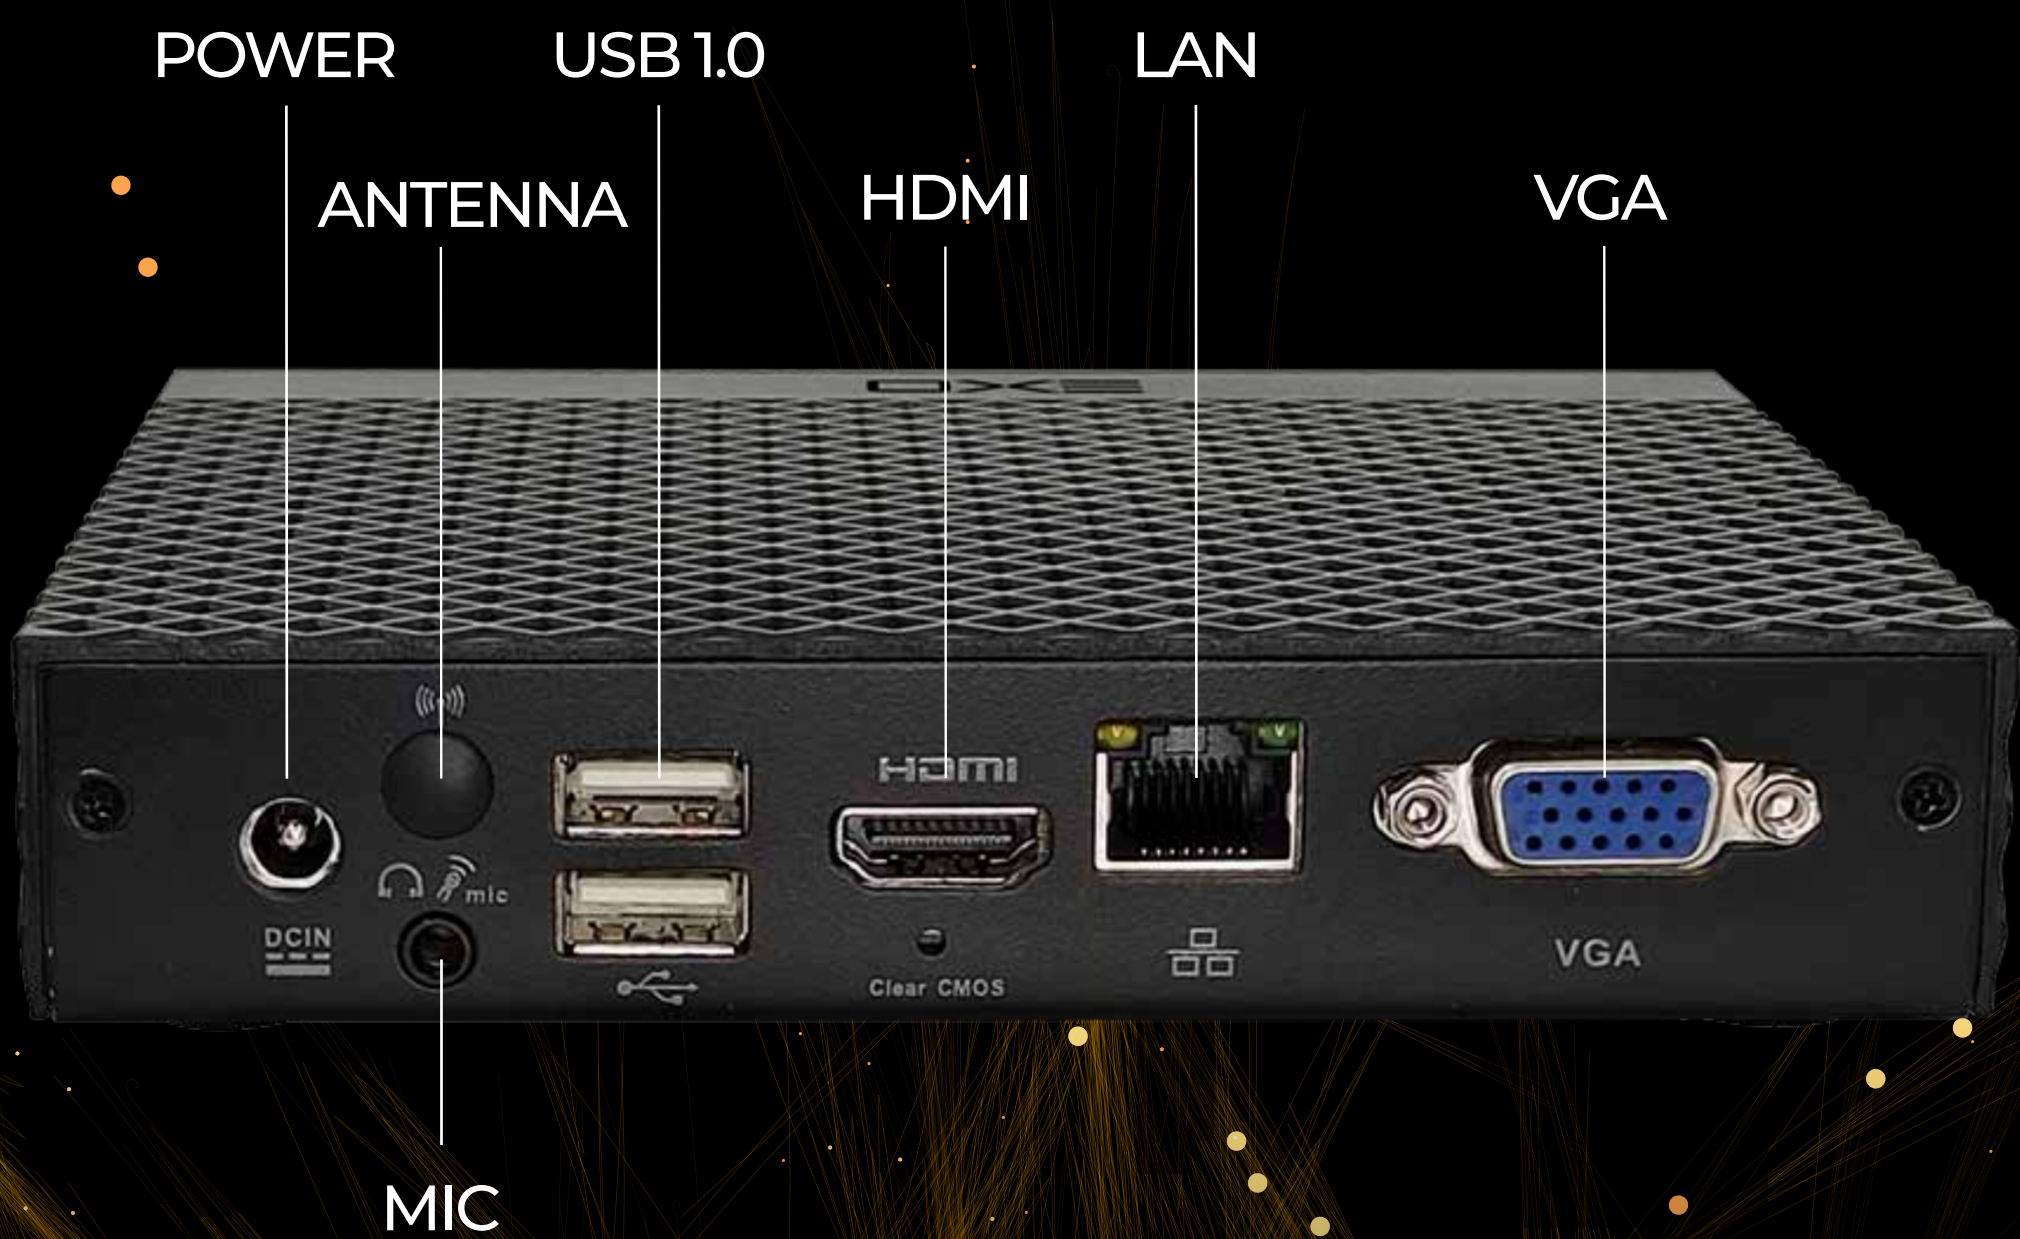

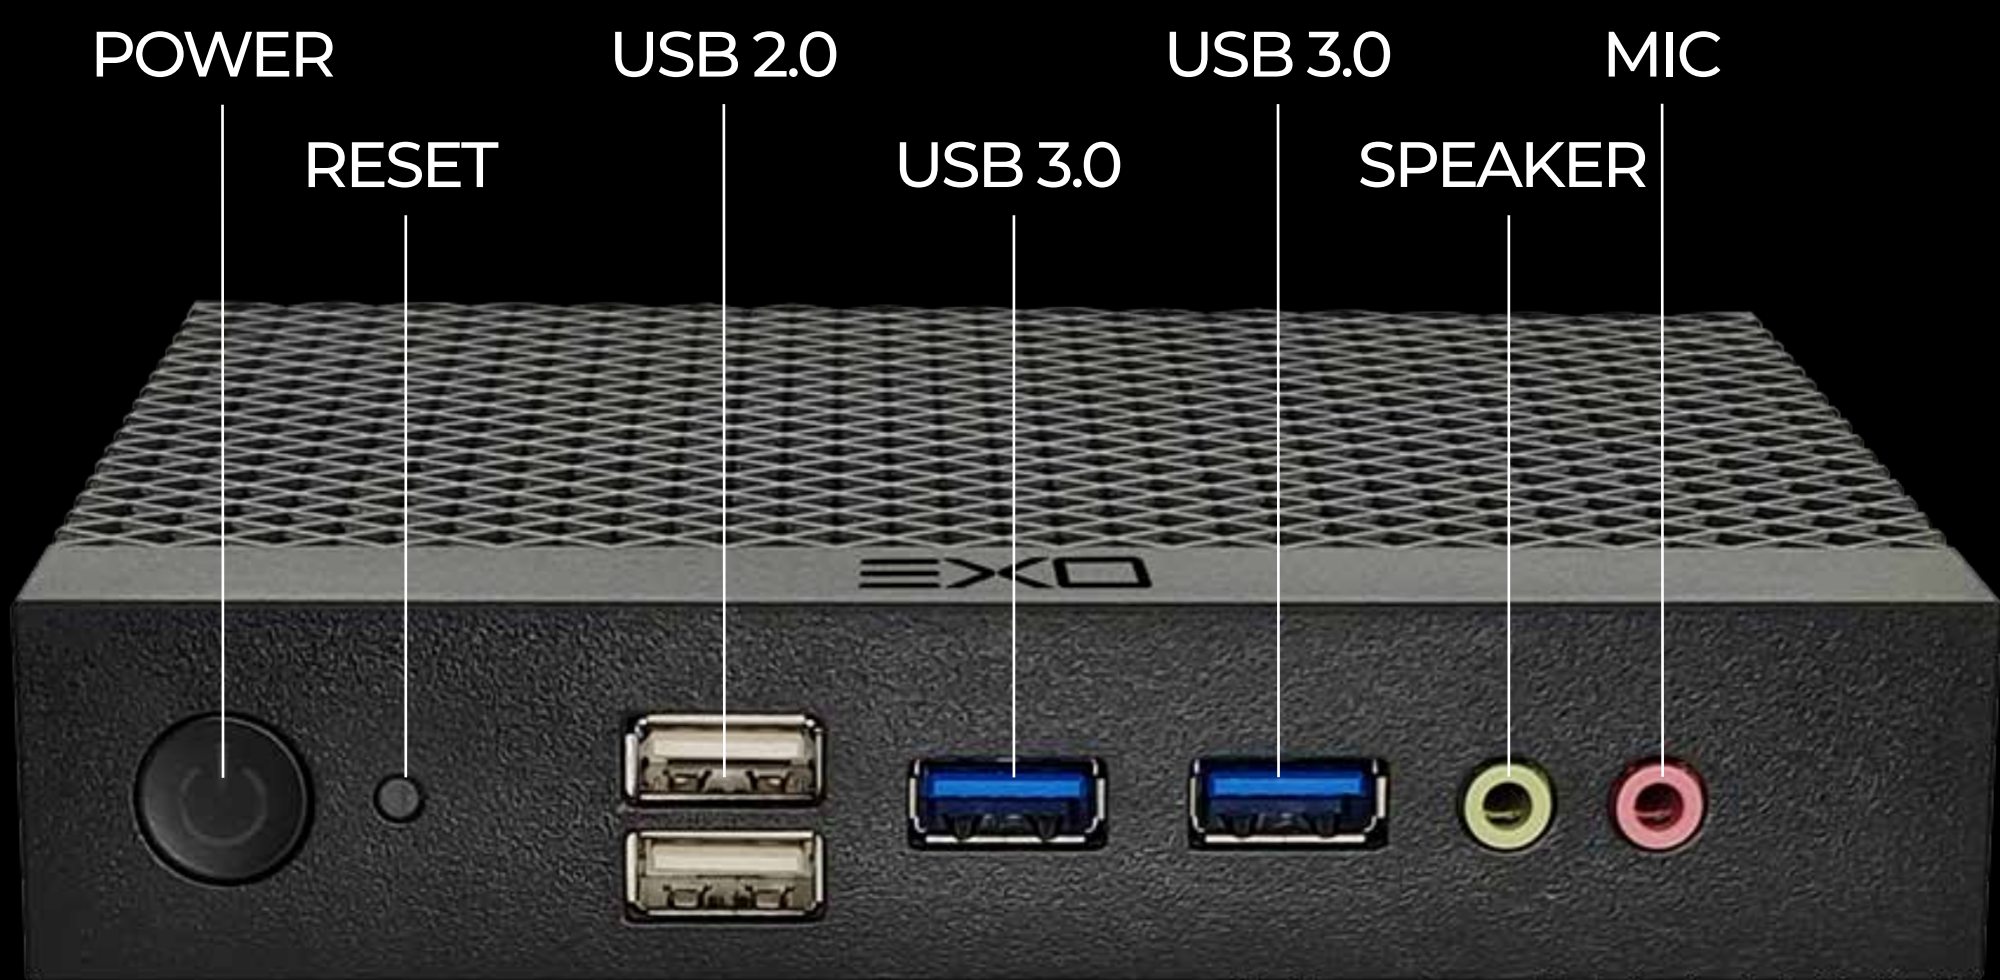

EXO
TECHNOLOGIES

Rugged Design

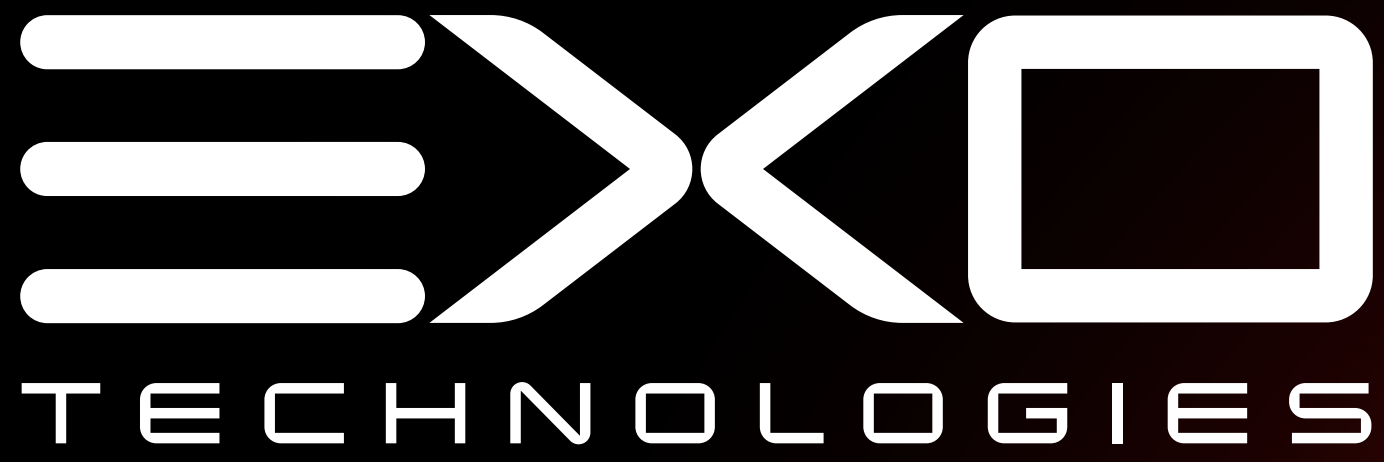

Built to last, the metal case provides durability and protection, ensuring your kitchen controller withstands the rigors of daily use without losing its stylish appearance.

Versatile Connectivity

Connect your devices with ease using the HDMI and VGA ports. Get perfect integration with a variety of kitchen devices and display options.
